2011

- 95 Points - Ralph Kyte-Powell

The pedigree of particular blocks on our Te Muna vineyard is paramount to the quality of this wine. At 20 years of age, the balance in our best blocks, identified by a narrow band of clay over stone, straddles that line between power and beauty. We believe this wine is a reflection of a world style of Pinot Noir that strives to sit in the top echelons of this variety.

-Julian Grounds, Chief Winemaker

If 2019 was the beginning of the style evolution, 2020 the learnings, then 2021 is the vintage of conviction. The blocks, our farming- we are consistent now in what we do to achieve that balance between a wine that, in its purest form, is intense but floral. The alcohol or oak is not distracting as we focus on fruit concentration and tannin maturity.

The longevity of this wine is never doubted; however, there is an increasing approachability in this wine upon release, so that those who taste it can appreciate its beauty now, while also anticipating the future occasions when it will truly shine. A wine of particular joy and honour to make, and the 2021 incarnation is one that I constantly marvel at.

-Julian Grounds, Chief Winemaker
